BOOTCAMPS 2023

COMMUNITY COLLEGE IN FRANCE

Get ready for a two-week culturally immersive experience in France! Spend the summer abroad, broaden your intellectual horizon and improve your transversal skills. The Bootcamps will look at sustainability issues from a multidisciplinary perspective and provide a unique edge to your degree.

You will learn through a varied mix of lectures, academic activities, and field trips. You will take part in group work and discussion with academic staff, local actors, and fellow students.

WHAT TO EXPECT

- High-quality academic programs from top French institutions
- A multi-disciplinary and project-based learning experience
- All-inclusive package
- An enriching personal experience and memories that will stay with you for the rest of your life!

HOW TO APPLY

Applications are open from **December 5, 2022 to January 31, 2023.**

In order to apply:

- Fill out the online form
- Provide your most recent transcript of records
- Be nominated by your community college.

!/\ You will need a Passport to travel to France

"Participating in the Bootcamp was incredible and life altering. I had so much fun and learned so much while I was out there. I would recommend this to anyone who wants to get out of their comfort zone!"

Sarah Coveney
Norco Community College, 2022

PROGRAM COST

\$2400 for program fees, housing, pick up at the airport, meals, visits, and local transportation.

The French Embassy offers **scholarships** to lower the participation cost to \$1000. You will need to pay for airfare to and from France.

Traveling and experiencing life in another country isn't just hugely exciting - it can help you gain extra skills, such as intercultural awareness and adaptability, and boost your confidence!
